Question

How do we know when the Holy Spirit is manifesting Himself? What's the evidence?

How did the Father manifest His Son? What's the evidence?

How does He manifest Himself (to us) in the natural realm without a body?

Answer

The Holy Spirit manifests Himself in time and space through the body of His saints.

"But one and the same SPIRIT works all these things, distributing to each one individually as He wills." ...in the moment. THIS IS THE EVIDENCE!

1 - A word of wisdom **2** - A word of knowledge **3** - Special faith **4** - Gifts of healings
5 - Working of miracles **6** - Prophecy **7** - Discerning of spirits **8** - Various kinds of tongues
9 - Interpreting tongues

These are not gifts. A gift is different. You possess your gift 24/7. You do not practice these or do them at your will. This is HIM! This is His method. These are the 9 spiritual ways that Holy Spirit manifests the will of God through His saints in a specific time and a specific place. Since 9 is the biblical number for finality, it's clear that no more are necessary and it is enough. (8 is not complete nor is 10 needed). God chose these. If you have a problem with His will here, then you should re-examine your theology! They are as real today as they were when Jesus displayed every single one of them as real evidence. However, the church must not build their ministries on any one or more of these. These signs follow those that believe. Stop showcasing and limiting the power and demonstration of God the Holy Spirit. And start understanding that Holy Spirit desires to show Himself alive and well to the world...through you. **YOU DO NOT NEED A BUILDING OR AN ORGANIZATION TO OPERATE IN THE MANIFESTATIONS OF HOLY SPIRIT!!** Be **WILLING** to be His boots on the ground and His holy vessel and you'll encounter Him on a daily basis and touch everyone in the process...which advances the kingdom of God on the earth. Yes He is with you and in you, but allow Him to anoint you and be on you in time and space, and lead you. **OBEDIENCE!**

Here is a short depiction of **Spiritual Manifestations**. Beyond the supernatural and psychological, only believers can be used in these. It's more than natural human skills and education only. You must first allow, then recognize and submit to the presence of God. Trust His presence. Everything comes through faith. Signs and wonders too.

1. **Word of wisdom**...You will hear (have an unction) in your spirit, of a word or a phrase that He's speaking to you. It can be for yourself, someone else or a group. Usually for a later time and usually used along with prophecy. Meant to give you understanding, clarity and context to a specific situation.
2. **Word of knowledge**...You will hear in your spirit a word or a phrase about someone or something you have no foreknowledge of. Usually to prove to that person He (All Knowing) is speaking directly to them in real time. To listen and heed what is about to happen. Often works with healings and miracles.
3. **Faith**...You will sense in your spirit an overwhelming belief that God is doing or about to do something incredible. This is a special burst, more than normal daily belief. Like faith on steroids. When you experience it you will know.
4. **Gifts of healings**...You will sense in your spirit that He desires to make someone well and healthy again. This can be as a miracle or through time. Both plural because there's more than one gift and more than one method of healing. All healing is from God but not all people receive the manifestation on earth.
5. **Working of miracles**...signs and wonders are biblical evidence that God can do whatever He wants to do. A miracle has no explanation. Be obedient to the Spirit with your hands and feet to deliver this package and stay out of His way here.
6. **Prophecy**...You will have an unction to speak or write something you've not rehearsed. Usually this indicates the heart of God and what He desires to happen on earth now or soon. It is always a confirmation and in agreement with His written word. Prophecy is the result of the action of one who prophesied. I believe it is God's method to move His will through time and space. 1 Cor 14:1-4
7. **Discerning of spirits**...He is giving you in real time, the ability to identify and exercise demonic spirits. To displace darkness and establish His domain. By freeing others who are oppressed and/or possessed, we enlarge the kingdom.
8. **Various tongues**...Since the tongue is the hardest part of our body to control, it makes sense that when we finally surrender it to the Spirit, that He circumvents our own thinking with His words. It is your spirit man praying, you need not understand it with your mind, because he is eating that fruit and building His strength (Jude 20). Tongues may be a known or an unknown language.
9. **Interpreting tongues**...This is Him giving you or someone else the ability to interpret what someone who's speaking in tongues is saying, which brings edification to the hearers. Even without knowledge of that language.
