## **PRAYER:**

**Vindicate us LORD, and plead our cause against an ungodly nation. Get justice for us from our adversaries. Deliver us from deceitful and unjust men. Cause them to fall into the pit that they have dug for the righteous. Grant to your servants that we may speak your WORD all boldness. Give us the nations for our inheritance, and the ends of the earth for our possessions. In the name and blood of our precious Lord and Savior; Jesus Christ I pray. AMEN**
