We Are Making a Difference

We do the best we can at trying to keep our friends informed of the many great things that we have going on at Pass The Salt, but it is not possible to truly report the impact in a monthly newsletter. We work hard to be informative and educational in regards to our efforts in expanding the Kingdom Of God. Lives are being impacted everyday by those who are associates of our ministry. Pass The Salt is not just a one-man team... but an army of soldiers across this nation who are making a difference right where they live.

All Politics Are Local

Pass The Salt has never been more effective than it is today. What we launched in 2001 has blossomed beyond what we could ever have imagined. In the early days of the ministry much of the impact we had was from our PERSONAL push-back against the forces intent on destroying Christianity in America. But today, our network of folks who are actively making a difference right where they live is impacting communities

We Need YOU

When we launched out into the deep over 20 years ago and went head-long into the cultural war we had as our mission statement:

PASS THE SALT is committed to bringing together the body of Christ across denominational, racial, and economical borders to demonstrate to America the power of Biblical unity. Our vision is to unite, organize, and mobilize the Army of God to be SALT and Light as stated in MATTHEW 5:12.

We have been faithful to that mission. We have been blowing the trumpet for 2 decades and the fruit of our efforts are undeniable. PASS THE SALT IS MORE EFFECTIVE NOW THAN AT ANY TIME IN OUR HISTORY.

We Have Brigades Across America

Over the past 20 years God has raised up strong men and women across the nation to pick up the torch for the cause of Christ. When we show up at our NATIONAL outreaches it is not unusual to have 25 States represented. Christians are looking for a place to plug in so that they can impact their local communities. We currently have ACTIVE BRIGADE PARTICIPANTS in Ohio, Michigan, Texas, Tennessee, Maryland, Georgia, Iowa, Wisconsin, Oklahoma, Louisiana, Kentucky, Maine, North Carolina, Florida, Minnesota, Missouri, Arkansas, California, Virginia, South Carolina, Oregon, New Hampshire, New York, Massachusetts, Mississippi, Kansas, New Jersey, Montana, and North Dakota. That is at least 30 STATES.

We Need State Leaders!!

Our impact is being felt across the nation. NO ONE IS DOING WHAT WE ARE DOING... organizing the BODY OF CHRIST for a unified effort to push back against the forces of darkness. BUT WE NEED LEADERS. This is a volunteer position but we do actively support our State Brigades. Your job would be nothing more than a CONTACT for us to refer people to for information regarding our Brigades. It is common for us to receive emails that say, "could you connect me with others in my state?" We simply need folks like YOU to step up and help us make connections IN YOUR STATE. If you are interested, please contact Brigade leader Chad Estes at TEXAS@SALTANDLIGHTBRIGADE.ORG.
