

Texas Supreme Court

Case 26-0288

Call: (512) 463-1312

Fax: (512) 463-1365

Clerk email: Blake.Hawthorne@txcourts.gov

I am calling (or emailing) about case number 26-0288 which is about a fully competent woman Patricia Louise Lock. The county court Cause 24GR-223 has fraud upon the court, due process violations, and is unlawfully confining Patricia Louise Lock in a locked down dementia wing. The Texas Supreme Court needs to do the right thing for Texas, order the release and full restoration of Patricia Louise Lock.

For those that have X account repost the following link and state this is about Case 26-0288 before the Texas Supreme Court, there has been fraud upon the lower court, due process violations, and unlawful confinement of a competent woman in Cause 24GR-223
