

Coach,

I've been watching alot of the shows and every morning, when I get to work, I cant wait to be punched in the gut with more truth.

I recently had be dating a woman, who claimed to be a Christian, went to church every Sunday, and listened to all of the 6 foot icicles that she could. But, we had a conversation about abortion about a week ago and I explained my disdain for abortion. Coach, Im not kidding you when I say that this sweet little 5 foot, 100 lb woman became almost demonic towards my belief. She basically said that because i was a man, that i had no business worrying about what a woman does with her body and her life. She wasnt hearing any of my

rebuttals. As the conversation continued...I found out that she had been raped by a black man and subsequently aborted the baby. So in her mind, no man had any right to tell her what to do and all men were pigs. As you can guess...that relationship is over. I just wasn't going to allow her to impose her power over me.

Your teaching on Isaiah 3 this morning really hit me hard. All of my adult life I've been battling the spirit of overbearing, power hungry women. Both in my job and my marriage to my ex wife and even in other relationships. I work with feminine men...my CEO is gay. All my managers are women. I work side by side with gay men 8 hours a day. I fight feminism everyday.

I say all of that to tell you that I appreciate all that you do and please keep fighting for truth. Be encouraged!! People are listening and are hungry for the word of God. Your show is the one part of my day that puts everything in perspective!!

God Bless you and your family!! Miss ya
