

## Courts CANNOT Make Law!!

One of the greatest tricks played on the American people is the LIE that Courts have the power to make laws. COURTS CANNOT MAKE LAW. "Opinions" of judges are not laws!! We are beginning to see citizens all across this nation begin to fight back against the TYRANNICAL COURTS. The courts have the POWER to rule but they do not have the AUTHORITY to enforce their rulings. Below is a list of rulings that the SUPREME COURT has offered that ARE NOT LAWS.

Everson v Board of Education 1947 CREATED the Separation of Church and State. It is a lie!!

Engle v Vitale 1962 Removed Prayer from our Schools!! Prayer is NOT unconstitutional!!

Abington vs. Schempp (1963) Ordered the Bible removed from our schools!! It is a lie!!
