## 2021 In the Rear View Mirror

In so many ways the past year has been a blur. For most of our live Michele and I lived our lives according to some kind of sports schedule. Fall was football, winter was basketball, and spring and summer were baseball and vacations. But in 2021 Covid turned the calendar on its head and many of us had a hard time remembering what we had done over the past year and in what month had we done it. Thank God for calendar books and computers which help us make sense of the sun going up and the sun going down. We would like to share with you a look back over the shoulder at the strangest year of our time on this planet.

### January

Despite the constant the-sky-is-falling warning from our government we did manage to get hold huddles in Texas, and Kentucky. On Jan 6th we led 156 people to Washington for the “insurrection.” Little did we know that would classify us as “domestic terrorists”!

### February

As we do every month, we produced 20 daily podcasts at [www.CoachDaveLive.com](http://www.CoachDaveLive.com) where we continue to build a team of faithful Christian warriors all across America. In addition, we held huddles in Ohio, Ky, Texas, and Iowa.

### March

Because of the COVID mandates this was one of the slowest months of ministry travel in years. We spent much of our time helping to launch The Liberty Action Network which is designed to network Christian groups fighting the evil here in Ohio

### April

Our travel schedule increased as the warm weather arrived. We held a Salt and Light Brigade tactical training in Texas, travelled to Lexington Green in Boston for an event remembering “The Shot Heard ‘Round the World,”, conducted a Spiritual Warfare Conference in Ohio, and attended a huddle in Ky.

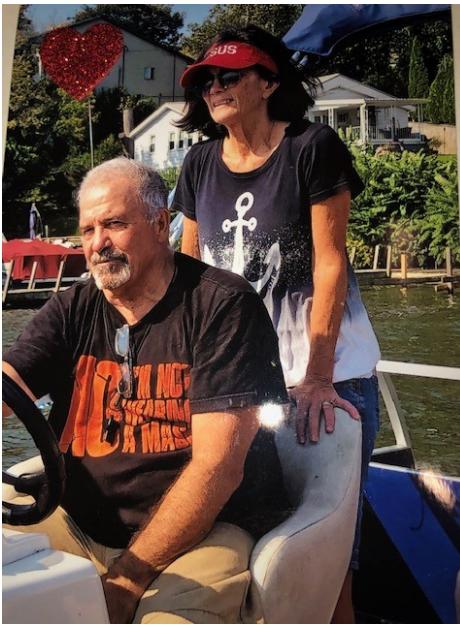

### May

Our ministry friend Dr. John Diamond invited us to Pigeon Forge, Tennessee for an appearance on the Dr. Alan Keyes show. This opened the door for PTS to launch a weekly nationwide show on Brighteon.TV. WE also attended huddles in Ohio, Montana, and Pa.

### June

We organized and attended an event in support of Pastor Tony Spell in New Orleans. Pastor Spell was in Federal Court for refusing to close his church in Baton Rouge. Over 150 folks from all across America came to stand in support of FREEDOM of RELIGION! In addition, we had our Annual event at Sky Hi in Ohio and a huddle in Pennsylvania.

## July

We had four powerful conferences in four different states...Ohio, California, Wisconsin, and Pennsylvania. Each of these conferences are two-day events and require a great deal of planning by our crews of volunteers. Our purpose is to raise up LOCAL groups who will be united in their desire to push back against the evil forces ravaging our communities.

## August

We held our first FAMILY camp at Roan Mountain, Tennessee. This was a wonderful weekend of fellowship and training in the heart of the Smokie Mountains. Betty Perkins hosted her first huddle in St. Clairsville, Ohio and we wrapped up August with an appearance at BARDS FEST in St. Louis, Mo.

## September

Bobby Lee organized a huddle in Kentucky and we had a great time when we set foot the last weekend of the month in Jamestown, NY...birthplace of Lucille Ball. We travelled to Buffalo to launch THE CHRISTIAN REVOLUTION and locked arms with a bunch of faithful Christian patriots while we were there. Our grandson DECLAN was born Sept. 8th!!

## October

People travelled from 21 different states to be part of our Tactical Training Event at Sky Hi. It was a wonderful time of training and fellowship!! Our travels also took us to Idaho, Maine, New Hampshire, and Nashville. Yep.... BUSY MONTH!!

## November

Much of time in November was spent locally as we were part of ministry events in Mt. Vernon, Medina, Westerville, St. Clairsville, and Canton. OUR IMPACT IS SPREADING!!

## December

Usually, this is a quiet month as people prepare for Christmas but are managing to squeeze in trainings in Missouri, Columbus, Dayton, and Cleveland. In addition, our son Zack and Adrian are expecting their first child around the New Year, and Abby and Morgan have a daughter arriving at the same time! BLESSED IS A MAN WHOSE QUIVER IS FULL!!

Thanks For Helping Us Grow!!

Our impact is growing and the Devil is growling, but  
THE RIGHTEOUS ARE AS BOLD AS lions!!

Thanks for keeping us on the front lines!!
