It is Time to Stand Up!

End-times talk is very popular in today's Christian circles. Are we at the end of days? Is the pre-trib rapture at the door? Is Jesus about to return and establish his throne? There are more theories than one can shake a stick at but certainly we can all agree on one thing that Jesus commanded his people. **OCCUPY UNTIL I COME** which can be found written in RED letters in Mathew 19:13. No ~~matter~~ your personal end time belief may be Christ's message was clear....**DON'T GIVE UP THE SHIP!** Surrendering the world to the DEVIL has never been part of our Lord's game plan. Now, more than ever the mandate of the church must be **STAND UP** and **SPEAK UP**. **OCCUPY** is an active verb.

America is in the Crucible

Webster defines CRUCIBLE as "a severe test" and that is exactly where we find ourselves at this place in time. A confluence of events and philosophies has come to a moment of reckoning in America...the shining city set upon a hill...the once-bastion of Christianity that took the light of the Gospel to the world. Today, much of modern-American Christendom is a far-cry from the Christianity our Founding Fathers carried into the New World. The question is...will THE CHILDREN OF THE KINGDOM come out from hiding and once again be the SALT AND THE LIGHT that Jesus called us to be? We are in the crucible...the moment of decision...the direction future generations hang in the balance. **WHAT WILL WE LEAVE TO OUR POSTERITY? What we do NOW does matter.**

A Whole Lotta Groaning Going On

Politics matter, and Christians must engage in the political process, but the issues that we are dealing with today are SPIRITUAL and will not be cured by whichever party is in the control Washington. The future of America can be tied directly to Romans 8:19 which clearly states ***"all creation is GROANING waiting for the manifestation of the sons of God."*** The CHURCH...the BODY OF CHRIST IS, and has always been the solution to earthly, worldly problems. Isn't it time that the SONS AND DAUGHTERS of God get actively involved in advancing KINGDOM Principles here on earth? Can't you hear the groaning?

Pass The Salt is 25 Years Old!

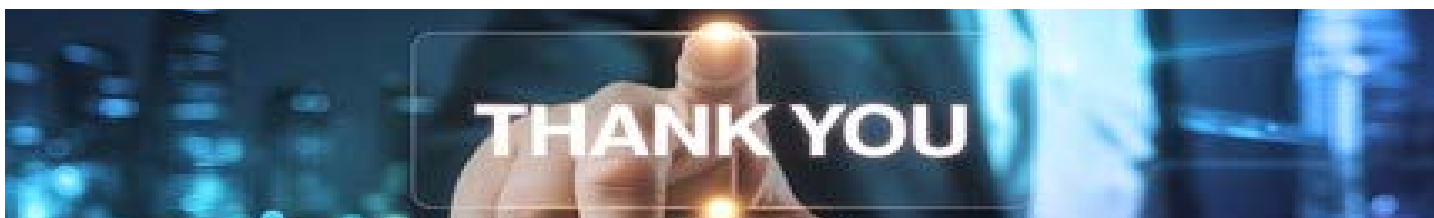

It is hard to believe that when we were sued by the ACLU while coaching high school football in 1997 that God would use that attack from The Devil to launch this POWERFUL MINISTRY, We never fashioned ourselves as a mainstream church where people came to worship on Sunday mornings. From the out-set our Mission Statement was ***"PASS THE SALT is committed to bringing together the body of Christ across denominational, racial, and economical borders to demonstrate to America the power of Biblical unity. Our vision is to unite, organize, and mobilize the Army of God to be SALT and Light as stated in MATTHEW 5:12."*** We can humbly say that we have lived up to that mission!!

YOU Are Pass The Salt!!

Thank you so much for believing in our mission. Many of you have been FAITHFUL supporters of Pass The Salt for the entire 25-year ride. Others have recently joined the team. But the fruit of your belief in us and prayerful support has enabled us to COACH an amazing number of men and women who have answered the call to be the Salt and light that Christ designed them to be. Scores of individual ministries have been birthed from our vision and those ministries are successfully advancing the light of the Gospel in a world seemingly overpowered by darkness. **THANKS FOR YOUR FAITHFUL SUPPORT!! TOGETHER, WE ARE MAKING A DIFFERENCE HEY! PASS THE SALT!!**

We are needed NOW more than ever!!
