

It mentions the eclipse coming 40 days before the Jewish calendar of Elul starts. From what I understand is what they call the day of atonement or payment of sins (a.k.a "Gods judgement"). Fascinating that Gods judgement flooded the earth 40 days and 40 nights, and Moses led His people in the wilderness for 40 years. Also that Jesus fasted 40 days and 40 nights while tempted by Satan. I've often mentioned the number 33 before, that how it absolutely would not leave me alone until I understood. Like the Highest degree in the masons is 33, the humanist manifesto you've talked about in the past originated in 1933 signed by 33 people, to the power going out at 2012 Super Bowl during the Beyoncé halftime show for 33 minutes to the Dow dropping 33 points day before yesterday from the 33rd president launching the first nukes, to Clintons 33,000 emails or the passenger flight shot down over Ukraine to entice a conflict with Russia at 33,000 feet to the first case of Ebola in New York a doctor age 33 and first death in America from Ebola on the 33rd parallel! The 33rd parallel is where Jesus proclaimed the gates of hell shall not prevail but since this proclamation from Jesus Satan has tried to get the gates of hell to prevail on the 33rd. For example Kennedy's assassination, Trinity nuclear test site, Bohemian Grove, the Charleston 9 (3x3) killed in church, (as above the 33rd) Nagasaki 33.3 parallel, (so below the 33rd) Hiroshima 33.-3, the first Masonic temple in America, the recently M.O.A.B bomb launched under Trump ETC ETC ETC.... A couple years back I asked God what is it with the "33" what am I missing? He said "ITS MY AGE WHEN THEY CRUCIFIED ME, THEY GLORIFY MY DEATH" I didn't know ... I went and googled it .... sure enough Google said "it was believed that Jesus was 33 when crucified", it completely broke me to know Jesus the most precious thing that's ever stepped foot on earth, His torture was being praised!! So the eclipse comes on the 21st.... as above so below ....above 21 below 12 .....  $21+12=33$  ok stretching it? How about the full date? 8/21/2017....

$8+2+1+2+0+1+7=21$ ... $21+12=33$

Or the year we were established 1776  $1+7+7+6 = 21$ .... $21+12=33$  but what further proves that this maybe a warning of Gods impending judgement and a call to repentance, that I haven't heard from anyone else, is the eclipse enters America in the 33rd state and exits on the 33rd parallel!!!! Come on "are you serious"!!!! Think about that the eclipse is entering in the 33rd state and exiting in 33rd parallel where the day will become night just as it did when Jesus was crucified at age 33! With the threat of WWII breaking out at any given time I do not think any of us should be taking this lightly!! One more thing, I've tried three times to post some of this information on social media and each time I was blocked or taken down because my "content violated community standards"! Damn right it did, not too many communities can handle Truth and facts!!! Only God knows coach but how many times did Gods people miss the chances, signs and warnings He gave them throughout scripture and they completely missed it??
